

**CHIEF-PATRON**

**Prof. Attipalli. Ramachandra Reddy**

Honorable Vice-Chancellor,  
Yogi Vemana University

**PATRONS**

**Prof. Y. Nazeer Ahammed**

I/c Registrar, Yogi Vemana University

**Prof. K. Satyanaraya Reddy**

Principal, Yogi Vemana University College

**Organizing Secretary**

**Dr. V. RAMAKRISHNA**

Department of Biotechnology & Bioinformatics

**TREASURER**

**Dr. M. MADAKKA**

Department of Biotechnology & Bioinformatics

**Organizing committee**

**Dr. K Riazunnisa**

Department Biotechnology & Bioinformatics

**Dr. C. Madhava Reddy**

Department Biotechnology & Bioinformatics

**CAREER TALKS  
ON  
BIOTECHNOLOGY & BIOINFORMATICS**

**One day National Seminar**

**30<sup>th</sup> December, 2016**

**Organized by**

**Dept. of Biotechnology & Bioinformatics**

**YOGI VEMANA UNIVERSITY**

**KADAPA -516003 A.P.**

### **ABOUT YOGI VEMANA UNIVERSITY**

Yogi Vemana University, an emerging premier state university among the newly established universities having its head quarters at Kadapa, YSR district, Andhra Pradesh. The main campus of the university is located 15 Km away from Kadapa city on the Kadapa-Pulivendula Road. The University has adequate infrastructural facilities viz., majestic buildings with modern architecture and laboratories with sophisticated instruments and hostels with modern amenities in a serene atmosphere. The University has at present 27 departments with highly qualified and experienced faculty members. The university is moving forward with its aim of creation and dissemination of knowledge, attainment of enlightened wisdom through advancement of true learning, teaching, research and service.

### **ABOUT DEPARTMENT**

Department of **Biotechnology & Bioinformatics** was established in 2007 and offering 5 year Integrated M.Sc course for the students who completed 10+2 with a well designed course structure covering the latest developments in contemporary areas of Biotechnology & Bioinformatics to gain knowledge and research skills to become well trained manpower with high potential to compete in academics and industrial areas at National and International scenario to pursue research in frontier areas in biotechnology.

A team of highly-qualified, experienced faculty members in the department specialized in thrust research areas viz: Animal Biotechnology, Plant Biotechnology, Microbial & Industrial Biotechnology, Food technology, Immunology, Genomics, Proteomics, and Bioinformatics, have a great passion to share their knowledge with the students and collaborate with other departments of Life Sciences. The department is also offering full time Ph.D programme in the above said thrust research areas.

### **ABOUT THE SEMINAR**

Biotechnology in the twenty-first century has impacted almost every aspect of human life from medicine to food, fuel and environmental control with major implications on present and future economic expectations. The emergence of new markets has led to the spread of biotechnology well beyond the borders of a few countries, creating a global enterprise.

Career talks will provide a unique platform for future graduates to choose the right track for their future careers in Biotechnology and Bioinformatics. The seminar aims to discuss and prepare graduates with crucial skills that university won't teach. The career talk series has been composed with an intent to give current students a superior comprehension of particular industry needs and an essence of what resembles to work in various fields of Biotechnology and Bioinformatics.

### **Renowned Speakers**

1. Prof.P.B. Kavi Kishore, Osmania University, Hyderabad
2. Dr. B. Sabeera, Executive Director, Biostandups, Singapore.
3. S. Fahmida Neelofar, Director, Biostandups, Hyderabad

### **Registration details**

Faculty/Scientist	- Rs.200
Students	- Rs.100

### **Address for Correspondence**

**Dr. V. Ramakrishna,**  
**Organizing Secretary,**

Dept. of Biotechnology Bioinformatics
