## **IQAC**

The Internal Quality Assurance Cell (IQAC) was established in **September 2013** at Yogi Vemana University . The following are the goals;

1. To develop a quality system for conscious, consistent and catalytic programmed action to improve academic and administrative performance in the University.
2. To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

### **The Functions of IQAC**

1. Development and application of quality benchmarks/parameters for the various academic and administrative activities
2. Dissemination of information on various quality parameters in higher education
3. Organization of workshops, seminars on quality related themes and promotion of quality circle.
4. Documentation of the various programmes/activities of the Institution
5. Acting as a nodal agency of the institution for quality related activities.
6. Preparation of the Annual Quality Assurance Report(AQAR)

### **Benefits of IQAC**

1. Build an organized methodology of documentation and internal communication
2. Act as a dynamic system for quality changes in the University
3. Ensure enhancement and integration among the various activities of the institution and institutionalize good practices

### **New Initiatives started at Yogi Vemana University are:**
